From the President

A big congratulations to everyone involved in putting together the "Doing it for Jarrod Day". The course was full all day and a great day was had by all. The \$5000 raised for the charity is a great achievement by the club. We are excited to start planning for next year's event.

A big thanks to Marcus Ward for organising the Volunteers' BBQ held on 6th of Feb, to show appreciation to those who dedicate their time to working on and around the club.

Well done on both the course committee and match committee holding respective meetings in the last couple of weeks.

We are looking to begin the stockpiling of material for the path repairs in the coming week or two. Hopefully we can lock in our contractor to begin the works in early March.

From the Captain

The last month has seen plenty of good golf being played

over a few great events. Firstly the highlight of the month was clearly the Jarrod Lyall Day that was a huge success with drama to close the day out that couldn't be scripted. A fantastic field of 72 played in the AM and PM time slots with the prize winners below. It was a great day that generated about \$5K for the Lyall Foundation which was sensational. Just as sensational was the late afternoon play off that decided the winners of the afternoon groups in front of a boisterous but appreciative crowd. A huge thank you to the volunteers in no particular order Dave Hudson, Gary Liddy, Kelly Spry, Elaine Henderson, Matt Willis, Nathan Fairley, Jane Thomas, Carolyn Doyle, Sean Smythe, Jim Hynes, Brian Collins, Damien Leatch, Marcus Ward and Bruce Fraser who all put in an amazing effort to make it the day that it was. If I have forgotten anyone, I apologize.

There are plenty more pics of the day on our Facebook page.

The Singles Matchplay is now down to the final pairing of Rob Beatson and Marcus Ward. Hopefully this March final will be played at a time that other members can get around and watch this play out as it is one of our most prestigious club events.

Saturday was the Ash Wednesday Memorial 3 person ambrose and we had a brilliant field of 54 and some awesome scores to compliment the day. Winners were the team of Jerome Langmaid,

Patrick Doyle and Matt Willis with a gross 54!!! nett 51 which included two individual eagles to Matt. The Match Committee held a lengthy meeting which resulted in many positive outcomes for the course and members. That information will be circulated to the members.

OH&S Report

Following the recent event where an ambulance was required to attend but was unable to get access onto the course, a new protocol will ensure access by emergency vehicles can be secured.

From the Kitchen

A reminder to those Saturday members who wish to purchase food during the day. In order to limit wastage, food is prepared based on the number of players **who register for competition by Friday.** Small numbers registered during the week for the afternoon means less food is prepared and therefore available.

Club Shirts

Here are the sample shirts available from Ikon Sports.

As they are different materials, they will be available to sample in the clubhouse from next week.

Sample shirt sizes will also be available to try on. All shirts are navy blue and yellow.

A booking request sheet will be on display. Cost is approx \$40.
